

IMPORTANT NOTICE FROM THE ASSESSOR
RE: REVALUATION ASSESSMENT CHANGES

2/03/2009

Dozens of Revaluation Notices have been returned to our office due to incorrect mailing addresses, mostly from out of state.

If you have not yet received your notice of assessment change from Vision Appraisal, please contact our office at 860-542-5287 immediately.

Although the time period for scheduling hearings with Vision has passed, you may contact our office directly or may appeal your assessment through the Board of Assessment Appeals. Applications to BAA are due no later than March 20, 2009 and are available from the Assessor's Office or Town Clerk.
